## **BECOME A MATCHING SPONSOR**

AFC is looking for local businesses to support our programs and the lives they impact by being a matching sponsor. Your sponsoring gift not only provides a helping hand for those experiencing homelessness. It also encourages others to give knowing that their gift will be doubled during our Fall Matching Campaign.

We'll acknowledge your support by:

- Placing your logo on our website homepage under our "Partners" section.
- Including your business' name on our Matching Campaign mailer and promotional materials, which will go out to our nearly 40 faith communities.
- For donations over \$1000, we'll place your logo under our Supporters' Section on our Rotating Shelter's Trailer, which travels daily across the county and is seen by hundreds of people each morning and evening.

## **OUR IMPACT**

**20 PEOPLE** have a bed, hot meal and shower each night through our shelter.

**50 PEOPLE** have a safe place to sleep each night through our safe parking program.

**150 PEOPLE** receive a hot shower each week through our mobile shower trailer.
